August 14, 1931

The next session of the Newfound Baptist Association will be held with the Zion Baptist Church on Spring Creek, Madison County, and at Bluff P. O., on Highway No. 209, 8 miles from Hot Springs, N. C., beginning on Friday before the 3rd Sunday in August 1932, at 11 o'clock A. M. Rev. John Price is to preach the introductory sermon.

PROCEEDINGS

The Newfound Baptist Association met in its 80th Annual Session on Friday, August 14th, 1931, at 11 o'clock a. m., with Lusk Chapel Baptist church and engaged in singing "Amazing Grace" and "The Sweet By and By". Rev. B. B. Plemmons having been appointed to preach the introductory came forward, took the stand and delivered the introductory. Prayer being led by Rev. J. A. McMillan. After the sermon the body was led in prayer by Rev. J. N. Watts. At this time Rev. E. F. Sprinkle, the Moderator called for visiting brethern and received Rev. J. A. McMillan, Rev. J. N. Watts, Rev. F. H. Leatherwood, Rev. R. R. Mehaffey. On motion went into the election of officers. On motion Rev. B. B. Plemmons was elected Moderator by acclamation. On motion W. G. Price was elected Clerk and Treasurer by acclamation. On motion adjourned till 2 o'clock P. M., benediction being pronounced by Rev. F. H. Leatherwood.

Met at 2 o'clock p. m. Song "Christ Our Redeemer". Devotional exercise being conducted by Rev. C. A. Worley by reading the 14th chapter of St. John, and prayer.

The body was then called to order for business. At this time an invitation was given to visitors, called for church letters from the various Laurel Fork, Zion, and the various committees were appointed; Education, churches and received Antioch, Bear Creek, Highland, Lower Big Pine, J. R. Woody, H. E. Plemmons; Temperance, Reagan Worley, W. A. Hawkins; Orphanage, G. W. Wild, James Wilson; Missions, Berlin Haney, C. A. Worley; Sunday School, Revs. J. R. Cogdill, C. L. Miller; Finance, Mack Cannon, E. L. Reems; Time and Place, Rev. C. L. Miller, James Wilson, C. L. Kirkpatrick.

On motion called for the report on orphanage. At the last annual meeting there were present in the home 365 children, 135 of these at the Kenedy Home near Kinston, which is a branch of the institution. There are also 286 children with 86 mothers cared for in their own homes by Mother's Aid. In round numbers nine hundred are being cared for by the denomination. These children have their health looked after, are fed, clothed and educated in school and out of school with a view to their greatest happiness and usefulness. Three thousand and more have received these blessings in greater or less degree during the forty-six years since the work began. Now at a time when the help of the institution is in need most contributions are falling off, debt is piling up, children with neither father nor mother, helpless widows and their children are turned hopelessly away for lack of room and for lack of money. However hard the times may be a collection from every Sunday School once a month would save the situation. More than half the Sunday Schools of our churches have sent no contributions at all during the past six months of this year. Again we recommend. First, That every Sunday School take a collection once a month and forward to R. D. Covington, Thomasville, N. C. Second, That a club of Charity and Children be taken by every Sunday school where it is possible. The paper is $1.00 a year to single subscribers, but in clubs of ten or more to one address it is 60c a copy. Third, That a special Thanksgiving offering be made in every chuch and Sunday school at the proper time in November, this is the one great collection of the year, and the last hope of saving from crushing debt. Let it be made a thank offering equal to one days work or income. Surely every pastor will get behind these recommendations. Pure religion before God and the Father is this.

G. W. WILD,
JAMES WILSON.

After being discussed by Rev. J. A. McMillan, Rev. F. H. Leatherwood, W. H. Roberts, C. A. Worley, Rev. Robison, G. W. Wild, on motion adopted the report. At this time appointed Bros. MINUTES OF THE

Eighty-first Annual Session

of the

New Found Baptist Association

August 19, 1932

PROCEEDINGS

The Newfound Baptist Association met in its 81st Annual Session on Friday, August 19th, 1932, at 11 o'clock a. m. with Zion Baptist church and opened session by singing, "Jesus Lover of My Soul". Prayer was offered by the Rev. Otto Parham. Rev. B. B. Plemmons, the Moderator, then invited Rev. W. C. Blount to preach the annual introductory sermon, using for his subject, The Organization of the Church. After the sermon, on motion, the body went into organization and Rev. B. B. Plemmons was again elected Moderator, and V. O. Lankford, Clerk and Treasurer, Rev. Canada Worley, Vice-Moderator. On motion adjourned till 2 o'clock p. m. Benediction pronounced by Rev. F. H. Leatherwood.

FRIDAY AFTERNOON SESSION

Met 2 o'clock p. m., singing, "Am I A Soldier of the Cross?" Devotional exercise conducted by Rev. B. B. Reese; prayer by Rev. P. T. McFee. Then the body was called to order by the Moderator and called for visiting brethren, receiving Revs. W. C. Blount, E. N. Gardner, P. C. Stringfield, W. T. Woody, L. B. Olive, H. S. Hall, F. H. Leatherwood, and Dr. M. L. Kesler.

Then the various committees were appointed: Education—Revs. P. C. Stringfield and B. B. Reese; Temperance—Rev. P. T. McFee, Bro. W. A. Hawkins; Missions—Bro. J. Henry Roberts, Rev. L. B. Olive; Finance—Bro. Wm. Bright, Rev. Canada Worley; Sunday School—Rev. C. L. Miller, Bro. T. A. Moore; Time and Place—Rev. J. R. Cogdill, Bro. N. C. Waldrup; Orphanage—Bro. James Wilson, Dr. M. L. Kesler.

The church letters were called for at this time and two reading clerks were appointed, Bros. Floyd Connor and J. Henry Roberts. The following church letters were received and read—Flats of Spring Creek, Caney Fork, Union, Liberty, Zion, Antioch, Chestnut Grove, Turkey Creek, Lusk Chapel, Piney Grove, Payne's Chapel. N. F. Big Pine, Lower Big Pine, Jones Valley, Bear Creek, Meadow Fork, Corinth, Laurel Fork—and Hot Springs on motion was received back into Association.

On motion the report on Orphanage was called for and Dr. M. L. Kesler, Superintendent of the Thomasville Home gave us a nice talk on the work that was being carried on there and the need of help at this time and said they had 500 children at Thomasville and the State was caring for 900 children in all.

Report on Missions was taken up next, and L. B. Olive, who had been in the Mission field for the last eight years gave us a great talk on what was being done in our State field. The work has been sadly depleted. Year before last there were eighty-six missionaries, while last year there were only forty-seven. Many of the missionaries were cut off, and those that remained were sadly handicapped by reducing the funds for their work. There were 1322 conversions and 737 baptisms as a result of their work last year, and by other ways 747 additions, and it seems we are overlooking another great field here at home, namely, the Negroes. The Catholics are making headway in this field of missions. A Catholic school for Negroes has been established in our state capital. The report of our Home Mission Board is so encouraging despite the fact they have been carrying such a large dept. and their contributions cut in almost half. Many parts of the work have to be dropped. Last year there were 1327 conversions and a total of 2594 members received.

The report of Foreign Missions is very, very sad, looking at it from the

part we have done but thank God there is a brighter side. Last year there were 16,568 baptisms on our Foreign Fields. The natives raised for their own work $428,807.58, but there are millions and millions who have not yet heard the gospel. Let's lift our hearts to God for forgiveness of failure in our duty and go to them with help.

COMMITTEE—REV. L. B. OLIVE, J. HENRY ROBERTS.

On motion adjourned till Saturday morning, 9:30 a. m. Rev. R. B. Vaughan preached 8 p. m. Saturday evening; text, "What Think Ye of Christ?"

SATURDAY MORNING SESSION

Devotional exercises conducted by Rev. John Price; prayer by Rev. J. N. Watts, after singing "There Is a Fountain Filled With Blood". The body was called to order by the Moderator and the discussion of Missions was resumed by Rev. E. N. Gardner.

REPORT ON EDUCATION

We, the Committee, recommend to the church the support of our Baptist schools and colleges, namely, Meredith, Campbell, Fruitland, and Mars Hill. We must have leaders in our churches who have been trained in the work of teaching, preaching and living in the spirit of Christ. Our schools are our only hope for the training of preachers and Christian leaders. Support them with your prayers and influence.

COMMITTEE—P. C. STRINGFIELD, B. B. REESE.

After being discussed by Rev. E. N. Gardner, report was adopted.

Devotional exercises conducted by J. Henry Roberts; prayer by Rev. W. T. Woody. At this time the report of the death of Dr. M. L. Kesler, who spoke to us yesterday on the work of the Orphanage, was killed last evening in an automobile accident on his return home. With hearts torn with grief we look up to our Heavenly Father in our gratitude for the faithful service of more than twenty-seven years at the Orphanage and with the prayer that God will sustain and comfort his immediate and bereaved family. The thousands of boys and girls who have come under his Christian guidance, and the countless

friends who have been helped by Dr. Kesler. Let us as an Association put into effect the practical pleas he has made through the years in behalf of orphaned children.

BRO. JAMES WILSON.

Rev. E. N. Gardner spoke of the great loss of Dr. Kesler and left for the funeral and prayer was offered by Walter Goforth.

Then Report on Temperance was called for and the following was presented by committee. The Bible abounds in warning against intemperance in all things. In this report we confine ourselves to the evil of drink. From the shameful experience in the life of the Patriarch Noah when he drank of the wine of his vineyard and was drunken till the close of Revelation, with its awful picture of the great pit into which the drunkard and all other workers of iniquity will be cast. God's Word calls for people to abstain from the great curse of drink. Th ough a hundred years of prayerful training Christian men and women have striven to stamp out the great evil, and to promote honesty and sobriety in America. Today we stand in danger of losing much that has been won, and must renew our slackened efforts in behalf of this curse. We call upon the Christian people around us to do the following things:

1st. Like Daniel of old to refuse to defile their bodies with drink.

2nd. To endeavor to teach the youth of today the dreadful effects of the use of liquor.

3rd. To give our support towards the election and work of State and National officials who will promote the cause of Temperance.

Report adopted.

Discussed by P. T. McFEE, J. R. COGDILL,

Our children must have the Bible taught them. We can't have it

Report On Missions

The term Missions in a Biblical sense is an all-inclosure one. The Substances of our Lord's final command to his believers are that the whole Gospel be carried to the whole world. We are included in the number that make up his body of believers, and therefore the responsibility of missionary endeavors rests upon each of us. Some reasons may be advanced for our doing Mission Work.

1, The Lord commands it. This alone is sufficient.

2. The unsaved need the Gospel. There is no other means provided for this salvation.

3. We shall be rewarded for all that we do for the spread of the Gospel. We are saved by grace, it is true; but we shall be rewarded for our works after we are saved.

Committee: C. L. Miller, William Worley

Report On Orphanage

On November 11, 1885, the first child was received into the Orphanage. The last one enrolled, now including mothers aid, July 24, 1933 runs the number up to 3,022. Present in 21 cottages 633; of these 134 are in Kennedy Memorial Home.

Perhaps no other orphanage in all the world is so bound up with the Sunday School as ours. Almost from the beginning our chief support has come from the once a month collection from the Sunday Schools. In more recent years the Thanksgiving offering has been of immense help. If every Sunday School in the State would take the once a month collection it would solve the financial problems.

REPORTS

Report On Orphanage

On November 11, 1885 the first child was received into the orphanage. We now have in the institution 627 children and help through our Mothers Aid department 178 children. Over 3,000 have been helped in our orphanage since it opened. What a blessing this has been to helpless orphan children in our state.

Almost from the beginning our chief support has come from the once a month collections from the Sunday Schools and a Thanksgiving

offering once a year. If every church would adopt this plan it would solve our financial problem.

Your committee earnestly recommends that every Sunday School take a once a month collection and a Thanksgiving offering for our Orphanage.

Respectfully Submitted.
C. L. Miller.
R. D. Covington

Report On Education

We, your committee on Education, beg to report as follows:

The State of North Carolina have charge of our public schools and colleges, educating our young people in book knowledge, but we have Baptist schools and colleges, namely Mars Hill, Meredith, Campbell, Fruitland, Chowan College and Wake Forest college.

Our schools are our hopes for the training of teachers, preachers, and leaders and we heartily recommend that our Baptist Churches support these schools, where the Lord's gospel is taught, with their prayers and influence.

"I am the light of the World. Whosoever shall follow me will not have to walk in darkness but shall have the light of life.—John 8:12."

Committee:
J. Henry Roberts
Olin Jarrett

Report On Temperance

We, your committee on Temperance, submit the following report:

1st. We congratulate the members of this association for their almost unanimous support for the retention of the 18th amendment.

2nd. We are unalterbly opposed to the repeal of the weakening of the State laws that is now on the statute books of N. C. We recommend more stringent laws to govern the whisky traffic.

3rd. We demand that the courts of this state more effectively administer the laws governing the sale anl use of liquor. We feel that much of the drunkenness has been caused by the laxity of the courts in the enforcement of the liquor laws.

4th. We demand that drunken or intoxicated automobile drivers be punished by being given prison sentences, and that the practice of suspending sentences for that crime be stopped.

5th We recommend that our Baptist people vote for dry candidates for office regardless of past political affiliations.

Ira Plemmons
C. A. Worley.

Report On State Of Churches

The committee on Condition of the Churches find the churches in need of more zeal and courage and diiipline. We find they all have pastors and Sunday Schools.

R. B. Vaughan
C. A. Worley

Report On Religious Exercises

We, your committee on Religious Exercises, report as follows:

Rev. C. A. Worley will preach Friday at 7:30 p. m. Rev. Robert Vaughan will preach Saturday 11:00 a. m. Rev. Walter Goforth will preach Saturday at 7:30 p. m., and Rev. Eugene Moore at 11:00 a. m. Sunday.

Respectfully submitted
H. W. Eblen
Eugene Moore

Report On Periodicals

We your committee on Periodicals, beg to submit the following report. We note with regret the scarcity of families taking Denominational papers. We realize that through the printed page much good or bad can be accomplished therefore we recommend that every church in our association be active this next year in stressing the need of denominational papers in the home in order that our young people may have something wholesome with which to feed their minds.

We recommend the following papers published by our various denominational activities.

Charity and Children, published by our Baptist Orphanage at Thomasville, N. C.

The Biblical Recorder, the organ of our general State work.

Home and Foreign Fields, the organ of our Foreign Mission Board.

We feel that every church in our association at our next annual session should report at least five families in each church into which some of our denominational papers enter.

Respectfully submitted,
G. B. Hawkins,
Jack V. Joyce.

Report On Missions

We find from a study of the Bible that missions are taught emphatically by our Lord and the Apostles and therefore are enjoined upon us as a very important part of our christian duty. Missions are divided into three classes, Home, State and Foreign. We believe that Missions like charity should begin at home. If our people are once led to see their duty in regard to Missions at home and become active in that division of work they can easily be shown a vision of missionary needs beyond. In order to get more of our people interested in Missions, we would recommend the following:

1st. That pastors and Sunday School teachers emphasize this part of the Lord's work.

2nd. That literature specially bearing on the subject be placed in the hands of our people.

3rd. That we, as christian workers, have competent teachers to instruct our people in regard to this duty.

Respectfully submitted,
W. C. Blount,
William Worley

Report On Time and Place

Your committee on Time and Place recommend that the eightieth annual session of the New Found Baptist Association be held with the North Fork Big Pine Baptist Church. Beginning on Friday before the third Sunday in August 1935, at 10:00 A. M.

Rev. D. K. Cohn to preach the introductory sermon.

Committee
L. E. Baker,
J. B. Coward,
J. Henry Roberts.

Report On Sunday School

We, your committee on Sunday School, submit the following report:

(a) Recognizing that the Sunday School is the preparatory education for the church, we urge Baptist parentage to see to it that their children attend a Baptist Sunday School.

(b) We recommend that parents see to it that their children are supplied with Baptist literature, educated in Baptist colleges and filled with Baptist Spirit. If this is done our churches will keep pace and the cause of the Master will be secure.

Rev. J. L. Bragg,
W. A. Hawkins

Finance Report

Collected from the various churches $45.45. Collected by two general collections and from individuals $6.25. Making a total of $51.70 for printing the minutes and for the clerk.

ORPHANAGE REPORT

On November 11, 1885, the first child was received into the Orphanage. We now have in the institution 627 children, and helped through our Mothers Aid department 178 children. Over 3,000 have been helped in our orphanage since it opened. What a blessing this has been to helpless orphan children in our state.

Almost from the beginning our chief support has come from the once a month collection from the Sunday Schools and a Thanksgiving offering once a year. If every church would adopt this plan, it would solve our financial problem.

Your committee earnestly recommended that every Sunday School take a once a month collection and a Thanksgiving offering for our Orphanage.

Respectfully Submitted,

I. G. GREER
JACK V. JOYCE

Discussed by Bro. I. G. Greer, G. Henry Roberts, W. H. Roberts, Ira Plemmons, Rev. C. A. Upchurch, Rev. C. L. Miller.

Report Adopted.

REPORT ON EDUCATION

Southern Baptists support 18 academies, property value of $1,855,-549, approximately 1600 students. Twenty-one junior colleges, property value $7,500,000, approximately 5,000 students, of whom 216 are for ministry; 29 senior colleges, approximately 16,000 students, of whom 910 are for ministry; and an investment of $41,454,212.

The Southern Baptists have invested nearly $51,000,000 in school property and endowments.

These schools are training places for your sons and daughters. As go our schools so will the future of our great denomination.

REPORT ON TEMPERANCE

We detest and condemn the last General Assembly for legalizing the sale of liquor in some of the Eastern counties if not in violation of the will of the people's vote in the election on the 18th Amendment.

We demand that the courts more effectvely administer the laws governing the use of liquor.

We demand that drunken automobile drivers be given prison sentences.

We again recommend that our Baptist people vote for dry legislation and other candidates regardless of past political affiliations.

We condemn the suspension of prison sentences for violators of the prohibition laws of our state.

Report adopted.

Moved and seconded to appoint committee of three on Sunday School Convention. Bros. H. W. Eblen, Erastus Plemmons, Rev. W. N. Martin appointed.

REPORT ON PERIODICALS

We, your committee on periodicals, beg to submit the following report: We note with much regret the lack of interest being taken in our denominational paper. We realize that through the printed pages much good or bad can be accomplished.

Therefore we recommend that every church in our association take more interest in the next year in our Baptist papers in order that both the old and young will be supplied with something worth while to read in the way of news as well as a great help in a spiritual way.

We heartily recommend the Biblical Recorder as one of our best denominational papers. We also recommend Charity and Children, published by our Baptist Orphanage at Thomasville, N. C.

May God help us all to take more interest in those papers.

Respectfully Submitted,
Rev. C. L. MILLER,
W. H. ROBERTS

Report discussed by Rev. C. A. Upchurch of the Biblical Recorder.
Report adopted.

Prof. R. L. Moore, President of Mars Hill College was recognized. So was Bro. Joe Payne and wife, of Winston-Salem. Bro. Hal Wild, wife and daughter, Edna, of Detroit.

REPORT ON MISSIONS

Reports from abroad are full of joy. There were 969 baptisms reported in Africa last year, 358 in Argentina, 4251 in Brazil, 89 in Chile, 3235 in China, 680 in Hungary, 202 in Italy, 121 in Japan, 229 in Jugoslavia, 343 in Mexico, 7 in Palestine Syria, 5500 in Roumania, and 74 in Spain, a total of 15,969 in all. Such work is worth more than we can evaluate in dollars and cents. The great need is for more workers to

carry the gospel to the many new places now calling for it.

The Mission boards are in need of funds.

Are we doing our part?

"Witness. . . unto the uttermost part of the earth."

REPORT ON MEMORIALS

Whereas it has pleased God to take to himself our dear beloved sisters and brethren, of the New Found Association, who have fought a good fight and finished their course and kept the faith; gone on to receive the crown of righteousness which the Lord, the Righteous Judge, shall give them; not only to those but also to all who love his appearing.

We bow in humble submission to His will, knowing that our loss is Heaven's gain.

We extend our deep sincere sympathy to the loved ones left behind and pray God that the time will be when the whole families will be united around that great throne.

Respectfully,

Motion and second to receive. Discussed by Bro. Ira Plemmons, Rev. Walter Goforth, Bro. Wm. Worley. Motion and second to adopt. Carried.

Motion and second to dispense of the reading of the church minutes. Motion carried.

Permission was granted to Bro. Ira Plemmons to bring in the subject of the dance on campus grounds at Wake Forest College.

Resolved:- That we, the churches of the New Found Baptist Association enter this, our protest, against the authorization of public dancing by the student body on the campus of Wake Forest college. To permit prostitution by the public dance leads and can only lead to some other forms of vice. We do not want our boys and girls in a supposed christian college when in fact such college invites evil into its midst. We demand that the action of the trustees be at once rescinded.

We congratulate the Bibical Recorder on its stand and may it never waver in its condemnation of the dance evil or any other evil that has for its purpose the breaking down of our Christian institutions.

Motion to receive resolution. Discussed by Bro. Ira Plemmons and J. Henry Roberts. Resolution adopted as read.

Report on temperance read.

REPORT ON TEMPERANCE

We deplore the conditions that have followed legalizing the sale of beer and wine. Drunkeness has increased by approximately 100 per cent and is still growing worse.

We earnestly insist that the state dry laws be strengthened and the dry laws now on our statute books be strictly enforced.

We are unalterably opposed to the liquor stores or saloons being set up in this state.

We urge our Baptist people to refuse to support any candidate who favors the return of legal liquor, and urge them to beware of the candidate that urges liquor control, for from the political view, control means the return of open sale of liquor. We want the kind of control that prohibits the sale in any shape, manner, or form.

PERIODICALS

The whole world is reading today. Every emaginable form and character is pouring from the press. Much that is trival, lustful, and destructive will find a public demand.

It is very gratifying that the religious publications continue to multiply in the form of good books and side-lights that reveal that we have today, many consecrated writers who seem to sense the need of the day and have a message. We should place these good books in our homes and the whole family read them.

As North Carolina Baptists we should patronize and support the Biblical Recorder, which has stood by everything constructive that the Baptists have undertaken. Sure, every preacher and pastor and deacon and leader in church work, and every home that believes in keeping abreast of our times and in touch with the brethern, should take it. Sure we should read the Charity and Children, and the separate publications for group instruction and inspiration. We will use our own literature of the

Sunday School Board for the Sunday School. We find no better.

Respectfully,
MRS. C. H. HAZELWOOD
MISS PEARL FOWLER
REV. C. L. MILLER

Motion and second to receive. Discussed by Rev. Walter Goforth, J. Henry Roberts, Ira Plemmons. Adopted as read.

Report on Home, State, and Foreign Missions read. Motion and second to receive.

HOME, STATE AND FOREIGN MISSIONS

Let us keep on proving that we are well named "Missionary Baptists" and glorify the name by our liberality and zeal in making disciples of all the nations.

HOME MISSIONS

Reports of the outpouring of God's spirit and blessing come from all fields of Home Mission endeavor. The Board is doing a wonderful work along the line of Home Missions and it is our duty to do our part.

FOREIGN MISSIONS

Approximately 90 years ago, the Foreign Mission Board was organized and a careful survey convinces one that one line of operation on the foreign fields is indeed and in truth a "far-flung battle line." We are broadcasting our message of salvation, not by radio, but by self-sacrificing work of our many missionaries. We have great Missions in South China, North China, Central China, and Interior China; a great Mission in Nigeria, Africa, Italy, Brazil, Japan, Argentina, Chile, Hungary, Jugo-Slavia, and Spain. Others are calling for our help. Let us not fail to aid them, under God, to the extent of our ability.

Respectfuny,

Report on state of churches read.

REPORT ON STATE OF CHURCHES

Our churches are in need of more zeal, courage and discipline.

All the churches in our association have pastors and Sunday Schools. Not any of our churches are doing all they ought to do, nor all they can do. The condition of our churches should bring us to the association this year with contrition of heart, and the confession that we have all sinned and come short of the glory of God.

Our churches and Sunday Schools seem to be content in that which

they have failed. The churches have their revivals, meetings, baptize and take in members, and for the lack of Baptist spirit and training, many members never get beyond the water's edge and are still babies at forty or more. From observation, half the members do not attend church, don't pay and don't help bear the responsibility of their church; at the same time there are members that are faithful, true women and men in all of them, ready to cooperate and share for the cause of Christ. Let us pray and labor for the success for those members; for Christ has not signed armistice with satan, and has not ordered his people to run up the white flag of surrender.

We recommend that the churches call such pastors as have necessary time, and will use that time, in visiting and organizing our people into soul winning units.

Respectfully submitted,
Committee

Orphanage report called and read.

ORPHANAGE

Jesus loved little children; He took them into his arms and blessed them. James says, "pure and undefiled religion is in visiting the widow and orphan and keeping himself unspotted from the world. The visitation mentioned from his practical viewpoint would include necessary things for daily support. We are obliged with other North Carolina Baptists to support those in our Baptist Orphans Home.

The Mills Home at Thomasville, Kenneday Home at Kinston, the Mothers Aid Department--a total of approximately eight hundred and fifty orphanage children that we Baptists must see that they are properly cared for by doing our part.

God has made special promise for those who aid in this worthy cause.

"It is human nature to pity; it is God-like to help.

May the Lord help us to realize these are "our" children.

Report on Sunday School called and read.

REPORT ON SUNDAY SCHOOL

About 1500 are enrolled in our Sunday School with more than 2200 church members. Our average attendance is about 1100. We should have more than 5000 enrolled in our Sunday Schools. What a challenge this should be to every preacher, Sunday School officers, and teacher and every Christian in our beloved Association. Christ commanded, "Go ye into all the world" and his words have echoed down through the centuries and yet we Christians have not gone to all the homes in our association and say, "Let us go to Sunday School."

Let all the Sunday Schools set a mark to reach and double our Sunday School enrollment for the next year.

Reporrt on education read.

The United States is passing through a trying time. It Seems as if crime is rampant. A careful study of the inhabitants of our penitenturies and convict camps reveal the startling facts that a very low percentage of these inhabitants have ever been higher than the third grade in our schools although our state has made rapid advancement in education. There is something lacking. Southern Baptists should supply that lack in providing institutions for Christian Education. Our duty to the rising generation is not only to give them an education but a Christian

education .

Your committee urges our churches to stress Christian education more than they ever have in our church activities.

In respect to our old age ministers relief, it behooves every church in our association to help support and maintain those old ministers who have blazed the trails over these rugged mountains, spreading the glad tidings that "Jesus Saves."

At that time it was travel by foot or horseback, over trails and rough roads and the best way they could, telling the good news of a home not built with hands. Let each church show its appreciation of those good old time preachers.

2. We should teach temperance both by example and by precept. We should live soberly and should teach the evils of intemperance to our children in the home, in the church, and other places as we may have opportunity.

Prayer by Rev. W. H. Covert. Report on Memorials called and read.

REPORT ON MEMORIALS

We, your committee on memorials, find that several churches reported the loss of members by death the past year. In submission to the will of God, we bow our heads, knowing that "He doeth all things well." The loss of our dear members is Heaven's gain and we can soon be united around that great throne again and for ever more. The loved ones have our sympathy and prayers.

Committee:
W. H. ROBERTS,
D. T. BROWN,
G. W. WILD.

Moved and second to adopt report. Discussed by Rev. Denver Brown. Motion carried and report adopted.

P. S. See list of dead separate page.

Report on Periodicals called for and read.

REPORT ON PERIODICALS

"My people are destroyed for the lack of knowledge: because thou hast rejected knowledge, I will also reject thee," said God's prophet Hosea 4:6.

Roger Bacon said: "If I could control the literature of the household I would guarantee the well being of state and church."

We commemorate more than four hundred years of the printed English Bible as the great book of origins and destiny. The Bible will set us right in all our relationships if we will obey it. Let us urge all our people to a daily and prayerful reading of the good book.

We recommend that our people subscribe more than they are doing and the reading of the Biblical Recorder, our Baptist paper. That we report more to this paper what we are doing in this association. And don't forget Charity and Children and let us all use our own literature of the Sunday School Board for the Sunday Schools.

Committee:
M. C. COWARD,
A. J. BALL,
REV. C. L. MILLER.

Motion and second to adopt report. Discussed by Rev. Beech, of the Biblical Recorder, Bro. W. M. Worley.

Question called and the motion carried to adopt report.

At this point Brother A. R. Justice, an old soldier of the cross, gave us an inspirational address.

Report on Temperance called and the committee recommended

the report in the Sunday School Convention at Lower Big Pine, 1936, which was read:

1. The Bible teaches us to be temperate. Medical science and common sense teach us to be temperate in all things and especially in alcoholic beverages. They should be used, if at all, only in case of sickness and then on advice of a reliable physician.

2. We should teach temperance both by example and precept. We should live soberly and teach the evil of intemperance to our children in the home, in the church and other places as we may have the opportunity.

We favor electing to public office only men (or women) who are opposed to strong drink as a beverage, regardless of party affiliations.

Committee—James Wilson, Mrs. Mollie Kuykendoll, Miss Evelyn Green.

Moved and second to adopt the report. Discussed by J. Henry Roberts, Ira Plemmons, Rev. J. C. Pipes, W. H. Roberts. Motion carried to adopt.

Report called for on Home, State and Foreign Missions—called and read.

REPORT ON FOREIGN MISSION, HOME MISSION, STATE MISSION

Foreign Mission—was established in 1845 and today we have missionaries in China, Japan, Africa, Italy, Brazil, Mexico, Argentina, Palestine, Syria Chile, Hungary, Jugo-Slavia, Rumania, and Spain. We have 1-715 churches on foreign fields, 961, more than half, are self-sustaining. Total membership, 203,674; 14,882 baptisms last year; total active missionaries 417 with 950 ordained native ministers and 1,411 unordained native workers; total Sunday Schools 2,250, with an enrollment of 203,674; Women's societies 1,312, with a membership of 30,016; Young People's societies 1,481, with a membership of 30,737; Total schools and colleges, 347, with 26,799 students.

Home Mission—was established in 1845. The task of Home Mission is making and baptizing of disciples, and then the bringing of influences, through redeemed lives, to bear upon the immigrant populations in our industrial centers, helping racial and underprivileged groups to realize a new life in Christ.

The purpose of the Home Mission Board is to evangelize the homeland and to marshall its forces for world-conquest for Christ. For this task it would seem that God has preserved and trained and equipped Southern Baptists. They believe the Bible. They are evangelistic. They hold the ordinances in their New Testament purity.

State Mission—Each of the eighteen states and the District of Columbia included in the territory of the Southern Baptist conven-

tion has a well-organized and functioning State Mission Board through which Christ's threefold ministry of preaching, teaching, and healing is being carried out. Through this agency areas that are destitute of Gospel privileges and the Baptist message are supplied, churches are aided in securing proper pastoral leadership, adequate building facilities, trained Sunday School, B. T. U., B. S. U., and W. M. U. workers. Indeed, State Missions is the seed corn of all our organized efforts for promoting Christ's program on earth. To refrain here is to limit the harvest in the future. Our State Mission Boards have played a vital part in making our Southland the Baptist stronghold it is today—24,671 churches with an aggregate membership of 4,482,315.

Committee:
REV. ROBERT B. VAUGHN,
MRS. G. W. WILD,
C. H. BAILEY.

Moved and second to adopt the report as read. Discussed by J. Henry Roberts, J. C. Pipes, Ira Plemmons. Motion to adopt the report carried.

Committee on religious exercise recommended "no night service account of rain."

At this time the Clerk read the report found below in regards to the Co-operative Program that all may understand.

CO-OPERATIVE PROGRAM

The Cooperative program is a plan worked out whereby each of the causes that Southern Baptists foster and promote gets its needful part of the funds that we raise for Christ's great Redemptive Program. Of the hundreds of missionaries at home and abroad and the numerous institutions that we support no one Christian would know how wisely to divide his gifts. He is concerned about them all, he would like to support them all, but out of his meager offering he knows not how to do it. The Co-operative Program is our plan whereby a person can share in all these causes of Christ, for it proportionately divides our offering to these great causes. Thus our dollar or dime through the program trains our preachers and missionaries in schools and seminaries, then supports them on the fields, whether in the home land or abroad, helps care for them after they get too old to work, and places hospitals in strategic places.

Think of it, through the Co-operative Program the smallest Christian in our churches may have a part in the great world wide program for Jesus.

By the Clerk.

Moved and second that the report be published in the minutes. motion carried.

Remarks by R. J. Wesley, of Ky., Rev. Beech, Ira Plemmons.

Moved and second to adjourn, motion carried and was dismissed in prayer by Brother W. M. Worley till 9:30 A. M. Friday.

FRIDAY MORNING SESSION

9:30 A. M. Song by J. Frank Payne Quartett of Paynes Chapel. Devotion by R. D. Covington reading portion of the 9th chapter of St. John and led in prayer.

Visitors recognized: Miss Edith Hays, Leicester, N. C., of the Buncomb Association and a teacher in the Thomasville Orphanage. Bro. R. D. Covington, treasurer Thomasville Orphanage, Thomasville, N. C.

REPORT ON STATE OF CHURCHES

It is not the desire of this committee to lose sight of any progress that the churches may have made. In some respects our progress has been great, for which we are thankful to God, but in some respects we are dissatisfied, the spiritual power that was once in our churches seems to be gone. "Even a child is known by his doings, whether his work be pure, and whether it be right." Proverbs 20:11. There is a cause that has brought such conditions as our churches are up against.

We believe these conditions are brought about mainly because of lack of discipline in our churches. We have tolerated things in our churches too numerous to mention, that have weakened and lowered the standard of our churches. "EVEN" a little child is known by his doings—then what about a man or woman? Seems our deacons are not interested in their duties and careless about attending deacons' conference and looking after the business. Some of the Church Clerks seem to think any old way will do and are careless about keeping the records properly and making their reports as should be.

In view of these facts, we pray that God will awaken us out of our slothfulness and may His Spirit lead us back to the true teachings of Jesus Christ.

Committee:

REV. C. L. MILLER,
A. J. BALL,
G. W. WILD.

Moved and second to adopt report as amended. Discussed by Rev. Sam J. Hall, and different messengers from the churches, and several spoke of their churches and how they were getting along, which made the subject interesting. Dr. W. A. Sams, of the French Broad Association, Marshall, N. C., was recognized and spoke on the subject. Question called and the report accepted.

Out of line of order the Constitution was called for and read by the Clerk. The Clerk being unable to get hold of the Constitution of the New Found Association, if there has been one, and prepared one

and presented same to the 81st annual session at Meadow Fork. This was referred to a committee to meet at Hot Springs Baptist Church Sunday 2 P. M., August 30, 1936, and several amendments were made. At this meeting, Union, the word Delegate was stricken out and the word "Messenger" written in.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Baptist churches, Antioch, Bear Creek, Beulah, Cedar Hill, Caney Fork, Ebenezer, Flats Spring Creek, French Broad, High Land, Hot Springs, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, North Fork Big Pine, Paynes Chapel, Pine Grove, Piney Grove, Union and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom, by the maintenance of love and friendship, and by mutual consultation, for peace and welfare of each other, the following articles are adopted as the written bond of union:

Sec. 1.—The confederation of churches shall be known and called by the name of the New Found.

Sec. 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son Jesus Christ, our Saviour, the universal spread of the Holy Bible, the Word of the True Living God and by other appropriate means.

Sec. 3.—This Association shall consist of delegates from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Sec. 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Sec. 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Sec. 6.—Baptist churches not before united in an Association, or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in the faith and correct in practice of the Gospel from other Associations.

Sec. 7.—This Association shall regard the churches independent bodies in all their internal affairs, and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Sec. 8.—As every church is an independent body, amenable so far as authority is concerned, to the Great Head of the church alone, any church shall have full power to terminate its connection with

the Association whenever it may see fit, provided, that such church shall be granted letter of removal. While, however, it chooses to continue this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

Sec. 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body; and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charge shall be received against a church unless presented from two or more of the churches in the union, through their Messengers.

Sec. 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Sec. 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Sec. 12.—When in session the Association shall be governed by the usual rules of decorum, and such others as it may adopt for itself.

Sec. 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information on subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Sec. 14.—The neglect or failure of a church to be represented by a Messenger or Messengers to the Association for three consecutive years shall be the cause to withdraw from such church, at the discretion of the Association.

Sec. 15.—It shall be the duty of the Moderator to appoint a committee to nominate seven, subject to the ratification of the Association, who constitute an Executive Committee, four of whom shall be a business quorum. The meeting of this committee may be held either during the session or in the absence of the Association.

Sec. 16.—The Executive Committee shall be the Association ad interim. This committee shall be required to make a written report to this body at its annual session. It shall also prepare an order of business for the annual meeting of the Association.

Sec. 17.—It shall be the duty of this committee to examine all applications for aid who may be recommended by the churches, re-

spectively, of this Association, as suitable condidates for the Ministry, and, if found worthy, to afford them such aid as the Association sees proper.

Sec. 18.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceding year.

Sec. 19.—The Constitution shall be printed in the Minutes of the Association each year and in full force on and after the annual session of this Association A. D. 1938.

Sec. 20.—Any and all previous Constitution of this Association is hereby repealed.

Moved and second to adopt BY LAWS as read. Motion carried unanimously.

Report on Orphanage called for and read.

REPORT ON ORPHANAGE

North Carolina Baptists waited a long time before they undertook the care of the orphan child. Many fatherless and friendless children were bound out by the Courts and countless others went hungry and cold and unlettered. Now we are all interested in the orphanage. We have been made richer in soul by the love and money we have given to these children.

God has made special promises for those who aid in this worthy cause. "He that hath pity upon the poor, lendeth to the Lord, and that which he hath given shall pay him again." Proverbs 19:17. Let us be delighted in the doing.

Committee:

MRS. JOE HARP,
MISS MILDRED DUCKETT,
MISS PEARL WELLS.

Moved and second to adopt report as read. Discussed by Miss Edith Hays, a teacher at Thomasville, who informs us that it takes meat and bread to feed five hundred hungry children. "It takes to feed our crowd, just one day, a whole barrel of flour, 4 bushels of sweet potatoes, 4 bushels of white potatoes, and a whole beef." Dr. R. D. Covington, Thomasville, spoke and informs us that there were churches in the New Found Association that had not even given a can of fruit or even one cent to the five hundred parentless children at Thomasville. Dr. W. A. Sams spoke and offered to help the New Found Association Churches get their canned goods to Thomasville. Motion made and second and carried to adopt the report.

12:30 P. M. Adjourn till 1:30 P. M. for dinner which was on the grounds and much appreciated by all present.

AFTERNOON SESSION.

1:30 P. M. Song by J. Frank Payne Quartet. Prayer by Rev. Hoyt Blackwell.

REPORT ON SUNDAY SCHOOL

In the state of North Carolina we have 2,437 Sunday Schools reported last year with an enrollment of 391,194 which is 74,504 less than church members. There are 35 churches in the state that have no Sunday School. The Southern Baptists of 18 states and the District of Columbia have 24,671 churches and an aggregate membership of 4,482,315. The Sunday Schools now in the convention are 22,704, with an enrollment of 3,173,356, and 1,308,959 less than church members.

We are glad to report that every church in the New Found have Sunday Schools but sorry to say with the report of last year we had 2,322 church members and only enrolled in Sunday School 1,572, and an average attendance of 1,100. We are glad to report that the churches are taking more interest in the Sunday School work. Last year there were seven Sunday Schools reported to the Convention at Lower Big Pine and this year fourteen reported at Piney Grove Convention and sure all the Sunday Schools will report next year at Jones Valley. We highly recommend the monthly Sunday School rallies of the four groups and the Annual Convention.

Committee:

J. HENRY ROBERTS,
H. S. HALL
W. H. ROBERTS.

Moved and second to adopt report. No discussion. The motion carried. Report on Annual Sunday School Convention and to approve the officers as elected and appointed in the Sunday School work. Moved and second to receive the report and approve officers. Motion carried.

Report on Education called for and read.

REPORT ON EDUCATION

Baptists have taken a leading place in education. We believe in a trained mind brought into submission to Christ. Proverbs 17:27: "He that hath knowledge spareth: and a man of understanding is of an excellent spirit." We feel that the only way this can be done is by the right kind of education. On this basis the Baptists have established high schools, colleges and seminaries with Christ as its center. These institutions have sent out thousands of trained, cultured and efficient men and women. If the Christian is the salt of the earth and the light of the world because of these schools the salt is more powerful and the light has had its bushel removed and has been placed on the higher candlestick.

We beg our churches to give their hearty moral and financial support to these schools.

Committee:
R. B. VAUGHN,
C. J. PRICE,
MRS. Z. V. ROBERTS.

Moved and second to adopt the report as read. Discussed by Rev. Hoyt Blackwell using for his text "Let Us Make Men." Motion carried to adopt the report.

REPORT ON FINANCE

We, your committee on finance beg to report the Clerk has collected $50.65 from the different churches including $1.45 collected by finance committee and that the Sunday School and Convention has turned over to the Clerk $10.19, a total of $60.84 for minutes, postage and service.

Committee:
JAMES WILSON,
MRS. G. H. ROBERTS,
G. L. BALDWIN.

Moved and second to approve the report. Motion carried.

This minute, 36 pages, will cost $63.00 for 400 copies. The Record Publishing Co., the printers, are donating $7.00 of this and also 100 extra copies needed. After postage is paid, the balance will be sent to the Co-operative Program.

J. HENRY ROBERTS, Clerk and Treasurer.

Report on Resolution called and read.

REPORT ON RESOLUTION OF THANKS

We, your committee, express our thanks to the people of Union, where the hills kiss the skies and the whispering breezes sigh while the two days have flown by so quickly and the moonlit waters will sing of pleasant times and the way we have appreciated the hospitality and kindness of the people at Union, where the hills kiss the skies.

Committee,
REV. ROBERT B. VAUGHN,
C. B. JUSTICE,
J. HENRY ROBERTS.

We, your committee, wish to re-emphasize the report on old age ministers last year. We have a distinct duty to render all the help we can. It behooves every church in our Association to maintain and support those old ministers that their last days among us will be their happiest days.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Baptist churches, Antioch, Bear Creek, Cedar Hill, Caney Fork, Ebenezer, Flats Spring Creek, French Broad, High Land, Hot Springs, Jones Valley, Liberty, Lower Big Pine, Paynes Chapel, Pine Grove, Piney Grove, Union and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom, by the maintenance of love and friendship, and by mutual consultation, for peace and welfare of each other, the following articles are adopted as the written bond of union:

Sec. 1. The confederation of churches shall be known and called by the name of the New Found.

Sec. 2. The object of the Association shall be to promote the glory of God on earth by preaching of His Son Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true Living God and by other appropriate means.

Sec. 3. This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Sec. 4. Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

5. The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Sec. 6. Baptist churches not before united in an Association, or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Sec. 7. This Association shall regard the churches independent bodies in all their internal affairs, and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Sec. 8. As every church is an independent body, amenable so far as authority is concerned, to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided, that such church shall be granted letter of removal. While, however, it chooses to continue this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Sec. 9. In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church,

neither party shall take a seat until the question is decided which party is the church in union with the body; and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charge shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Sec. 10. It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Sec. 11. The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Sec. 12. When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Sec. 13. The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contaned in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Sec. 14. The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years shall be cause to withdraw from such church, at the discretion of the Association.

Sec. 15. It shall be the duty of the Moderator to appoint a committee to nominate seven, subject to the ratification of the Association, who constitute an Executive Committee, four of whom shall be a business quorum. The meeting of this committee may be held either during the session or in the absence of the Association.

Sec. 16. The Executive Committee shall be the Association ad interim. This committee shall be required to make a written report to this body at its annual session. It shall also prepare an order of business for the annual meeting of the Association.

Sec. 17. It shall be the duty of this committee to examine all applications for aid who may be recommended by the churches, respectively, of this Association, as suitable candidates for the Ministry, and, if found worthy, to afford them such aid as the Association sees proper.

Sec. 18. Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceding year.

Sec. 19. The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1938.

Sec. 20. Any and all previous Constitution of this Association is hereby repealed.

12.—No member shall absent himself from any meeting of the Association without leave of the Moderator.

13.—The Moderator may sepak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

14.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

15.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

16.—The minutes shall be leisurely read, subject to correction, at the commencement of each morning session, and as the last act of the Association before final adjournment.

17.—The churches composing this body are requested to send up to the annual meeting a sum equal to three cents (0.03c) per member for the purpose of printing and distributing minutes, paying the Clerk and defraying other incidental expenses.

18.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

19.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

21.—It is advised that councils for recognizing churches and ordaining Ministers shall consist of six churches and twelve delegates, two from each church, two of whom shall be Ministers, allowing four churches and six delegates as a quorum.

22.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

REPORT ON MEMORIALS

We, your committee on Memorials, find that several churches reported loss of members by death last year. We do not know how to honor them as they justly deserve. We extend to the bereaved families our sympathy in their loss and congratulations that they have gone to that Mansion to be with the Saviour for evermore. Through His wisdom they left us and we bow in humble submission to His will. May the Lord bless the loved ones left behind and the circle be united.

Mrs. C. H. Hazelwood, Mrs. G. H. Roberts, Andy Ball, Com.

See Page 28 for list of the dead.

Moved and seconded to accept report. No discussion, the motion carried.

REPORT OF STATE OF CHURCHES

All churches reporting to the Association have regular Pastors and preaching, also Sunday School. We are sorry to observe in our churches members that are hypocrites, and the churches are compromising with the world by aiding and abetting BY NOT ENFORCING Bible disciplines and tolerating members who have become so wrapped up in worldliness, pleasure, and covetousness. Members go on defrauding, cheating, stealing, lying, cursing, backbiting, dancing, gambling, blockading whiskey, living in lust drunkenness and profaning God's Holy Sabbath by pleasure-seeking and unnecessary work. Yet the voice of the church does not seem to be strongly against these things.

We believe that the church which does not exercise any discipline is murdering itself and destroying its influence. We believe here is one of the great reasons for spiritual decay in our churches. They are looking on sin without condemning it as they should.

Rev. Denver Brown, Rev. Robert B. Vaughn, J. Henry Roberts, Com.

Moved and seconded to adopt. Discussed by Rev. Denver Brown, D. S. Pace and Rev. Robert B. Vaughn. Motion carried to accept.

Report on admission of churches called and read.

REPORT ON STATE, HOME AND FOREIGN MISSIONS

As our Lord Jesus stood on the Mount of Olives, He gave His departing word to the disciples and to us when He said: "Go ye into all the world and preach the gospel to every creature." (Mark 16:15) The Christian Action Magazine gives the following data. Three hundred millions still in the befogging maze of superstition-ridden Confucianism and demon-ridden Taoism.

210,000,000, still steeped in the groveling idolatry Hinduism· 130,-000,000 still crowding into temples of Buddha. 220,000,000 still in the ugly grip of sensual, loveless, woman-degrading, heart-hearding Mohammedanism. 25,000,000 still debasing themselves in the shrines of Shintoism. 158,000,000 still groping in the unrelieved darkness and gross superstition of Animism. 270,000,000 shadowed beneath the sinister cloak of Rome. 12,000,000 Jews still turning their backs on Him.

Think of it. Over 1,600,000,000 human beings on earth today, a mighty host marching to the grave and the beyond. Over 1,000,000,000 are non-Christians. 500,000,000 in so-called Christiandom.

Missionaries: One to every 80,000 in Africa, one to every 120,000 in Korea, one to every 170,000 in Japan, one to every 320,000 in India. one to every 470,000 in China. It is said at the rate of missionary progress 80,000,000 Negroes are beyond all prospects of hearing the gospel in their life time.

Look on the fields waiting to be reaped by Christ while we are delaying our duty. Think of it, the other reaper with his unsparing scythe, lays millions low at a turn.

James Wilson, Frank Miller, Miss Eula Fowler, Committee

Moved and seconded to adopt the report. Discussed by Rev. Robert H. Spiro. Motion carried to pass subject.

———o———

REPORT ON RELIEF OF OLD AGE MINISTERS

Your committee desires to re-emphasize the suggestions made in former reports to the effect that we owe a distinct duty to render helpful assistance to the needy, aged and infirm ministers who have served man well in blazing the paths in the days gone by and are now too old to serve man, due to their age and infirmities. We do urge that the local churches give special attention to the old minister's relief that their last days on earth be their best days.

H. E. Plemmons, Rev. J. F. Haynes, Mrs. Joe Harp, Committee.

Moved and seconded to adopt the report. No discussion, the motion carried.

———o———

Moved and seconded to receive Old Turkey Creek back under watch care of the Association till the arrival of that Church's letter. Motion carried unanimously and all well pleased to receive Turkey Creek back home.

REPORT ON SUNDAY SCHOOLS

In the state of North Carolina we have seventy Associations and two Indian Associations. We have 2,468 churches and 33 Indian churches. We have 471,554 church members and 2,667 Indian church members. We have 2,421 Sunday Schools and 33 Indian Sunday Schools. We have a total enrollment in Sunday School 385,263 and 2,381 Indians.

In the New Found we have 22 churches, as reported last year, with 2,349 church members. We had 22 Sunday Schools with a total enrollment of 1,604 students with an average attendance of 973, a little better than half the enrollment. A gain in enrollment over 1936 of 30 but a loss of average attendance of 217. Trusting this year's report coming in will excel any other year's report.

Rev. J. F. Haynes, Andy Ball, Rev. Doyle Miller, Committee.

Moved and seconded to adopt report as read. Discussed by Rev. James F. Haynes. Motion carried to accept report.

—o—

REPORT ON EDUCATION

Your committee on Education wishes to emphasize the fact that we need more "Christian Education" than our young people are being taught. We wish to give praise to our Baptist Schools and colleges for the good work they are doing in training our young people in the service of the Lord and heartily approve the work of "the State Board Department of Christian Education in the Churches." W. Perry Crouch, Secretary is doing good work along this line.

Rev. R. B. Vaughn, Mrs. C. H. Hazelwood, Mrs. M. A. Kuykendoll, Com.

Moved and seconded to adopt report as read. There being no discussion the motion carried to adopt the report.

The Association adjourned till 9:00 A. M., Friday. Dismissed by Rev. Fate M. McElreath.

FRIDAY MORNING SESSION

9:30 A. M. Song service by congregation. Scripture read by Rev. Denver Brown. Prayer by J. Mitchell Embler.

Appoint other committees, see page six. Also, other visitors welcomed, see page six.

REPORT ON TEMPERANCE

And to knowledge temperance; and to temperance patience; and to patience godliness. 2 Peter 1:6.

And to KNOWLEDGE temperance; then it is ignorance to indulge in habits of any kind in excess and especially in alcohol beverages when it is a habit forming beverage and we, your committee, arraign narcotic poison and place it side by side with morphine, opium, and cocaine. We arraign it as an agent that attacks the higher centers of the brain and blunts the normal guides of observation, attention, judgment, reflexes, and reactions, and urge our preachers and deacons to preach temperance in a wining way.

R. B. Vaughn, Denver Brown, F. M. McElreath, Committee.

Moved and seconded to adopt report as read. Discussed by W. M. Worley, Rev. Doyle Miller, J. Mitchell Embler and the Moderator, Bro. B. J. Ledford, filling the chair.

Motion carried to accept report.

—o—

REPORT ON PERIODICALS

Therefore my people have gone into captivity, because they have no knowledge: Isaiah 5:13. More than one billion of people are captured by sin for the lack of knowledge because they are not reading good

literature. We commemorate more than four hundred years of the printed English Bible which will set all men right if they will read and study. We also recommend the Biblical Recorder, Charity and Children and our own literature published by the Sunday School Board at Nashville, Tenn.

B. J. Ledford, Andy Ball, Lee Mason, Committee.

Moved and seconded to adopt report. Discussed by Rev. R. T. Ferrell. Motion carried to accept report.

—o—

REPORT ON STATE OF MINISTERS

We, your committee on State of Ministers, wish to state that it is not our desire to lose sight of the good work some of our ministers are doing for which we are thankful to our God, but the report of about half of our ministers in the New Found are unsatisfactory: "Even a child is known by his doings, whether his work be pure, and whether it be right." Proverbs 20:11. But about half are not doing anything and have nothing to report and will not attend the ministers convention and are not here where their work is recorded as if not interested.

We pray that God will awaken these slothful ministers to their duties and may His Spirit lead all the ministers to do His will.

B. J. Ledford, Frank Miller, W. G. Price, Committee.

Moved and seconded to adopt report as read. Discussed by Rev. Fred Pegg and J. Henry Roberts.

Motion carried to accept the report.

Moved and seconded to receive Turkey Creek back in the New Found Association. Motion carried in full. Everybody present was sure glad to see Turkey Creek Church come back home, having joined the Buncombe Association a few years ago.

—o—

REPORT ON BENEVOLENCE

About 5,000 people applied to the Baptist hospital last year at Wniston-Salem and out of this number 1,000 could not be taken for want of room. About 1,700 paid little or nothing for service. About 1,000 mothers were returned to their families, more than 100 preachers were treated, most of which was free. With about sixty-six doctors and hospital staff, it is estimated about $160,000.00 free service was rendered to folks that were not able to pay doctor and hospital bills.

B. J. Ledford, M. A. Haney, J. Doyle Miller, Committee.

Moved and seconded to adopt report as read. Discussed by M. A. Huggins.

REPORT ON CO-OPERATIVE PROGRAM

Your committee heartily endorses the co-operative program and recommends our churches send in more funds to the co-operative program than heretofore, which is distributed to the different causes more in proportion than any one person can do. Forty per cent or maybe forty-three per cent goes to southwide objects and the balance to missions and all to the great Redemptive Program of Jesus Christ.

A. F. Miller, J. M. Embler, Mrs. R. C. Kirby, Committee.

Moved and seconded to adopt report as read. Discussed by Rev. Erskin Plemmons, M. A. Huggins.

Motion carried to accept report.

Adjourned for dinner. Dismissed by Mrs. C. H. Hazelwood.

Henry Roberts then spoke a few words thanking the folks for their confidence in him for having elected him for the fourth time as their Honorable Clerk and asking the Co-operation of the Church Clerks that we could have a better report and minutes of the Association. Some of the Church Clerks are rather careless filling out the reports and make it hard for the Association Clerk.

Motion and second to appoint James Wilson representative of the Thomasville Baptist Orphanage for the New Found Association. Motion carried unanimously.

Inspiring talk by M. A. Huggins, "Seeing God", and was much appreciated by all present.

—o—

Respectfully submitted,

J. Henry Roberts, H. E. Plemmons, E. V. Plemmons, Committee.

"Gates"—They do not lead into blind alleys; nor do they open merely for the purpose of closing. Whether they lead into winding roads or broad fields, somehow, they always take the traveler somewhere. And the old saints, serenely sure that death is but a brief halt in a long journey, chose their metaphor well.

We feel that these friends and co-laborers of ours who have served so faithfully with us here, have gone through the "Green Gate" into our Father's Mansion.

The Clerk.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas the following Baptist churches, Antioch, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Ebenezer, Flats Spring Creek, French Broad, Hot Springs, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, North Fork, Haynes Chapel, Piney Grove, Union, and Zion Baptist Churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom, by the maintenance of love and friendship, and by mutual consultation, for peace and welfare of each other, the following articles are adopted as the written bond of union:

Sec. 1. The confederation of churches shall be known and called by the name of the New Found.

Sec. 2. The object of the Association shall be to promote the glory of God on earth by preaching of His Son Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true Living God, and by other appropriate means.

Sec. 3. This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Sec. 4. Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Sec. 5. The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Sec. 6. Baptist churches not before united in an Association, or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Sec. 7. This Association shall regard the churches independent bodies in all their internal affairs, and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Sec. 8. As every church is an independent body, amenable so far as authority is concerned, to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided, that such church shall be granted letter of removal. While, however, it chooses to continue this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Sec. 9. In case of internal dissension in a church, and of two

parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body; and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charge shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Sec. 10. It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Sec. 11. The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Sec. 12. When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Sec. 13. The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Sec. 14. The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years shall be cause to withdraw from such church, at the discretion of the Association.

Sec. 15. It shall be the duty of the Moderator to appoint a committee to nominate seven, subject to the ratification of the Association, who constitute an Executive Committee, four of whom shall be a business quorum. The meeting of this committee may be held either during the session or in the absence of the Association.

Sec. 16. The Executive Committee shall be the Association ad interim. This committee shall be required to make a written report to this body at its annual session. It shall also prepare an order of business for the annual meeting of the Association.

Sec. 17. It shall be the duty of this committee to examine all applications for aid who may be recommended by the churches, respectively, of this Association, as suitable candidates for the Ministry, and, if found worthy, to afford them such aid as the Association sees proper.

Sec. 18. Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes

the preceding year.

Sec. 19. The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1938.

Sec. 20. Any and all previous Constitution of this Association is hereby repealed.

REPORT ON MEMORIALS

We. your committee on Memorials, report that some of the churches have reported that our Heavenly Father in His infinite wisdom called home several of our church-going brothers and sisters since our last meeting, August, 1938.

Therefore, be it resolved by this Association:

First: That we express our sympathy to the bereaved families.

Second: That we cherish the memories of those devoted to God and His Church.

Third: That we follow the example of their noble Christian life, "Live for Christ."

REV. E. F. SPRINKLE
REV. F. M. McELREATH
BRO. J. J. GOFORTH, Committee.

Moved and second to adopt report. No discussion, the motion carried.

—o—

REPORT ON STATE OF CHURCHES

Only six per cent of the American people attend church in the morning while forty per cent are on the church roll in America. Only twenty-nine per cent ever attend church.

Paul, in writing of church attendance, said: "Not forsaking the assembling of yourselves together, as some is, but exhorting one another and so much the more as ye see the day (the day of Christ) approaching." (Hebrew 10:25).

We recommend that Pine Grove and High Land be dropped from this Association; Pine Grove for denying the faith and allowing heresy to be preached. High Land for failure to cooperate with the Association, this being three years.

REV. KINSEY BALL
REV. DENVER T. BROWN
J. HENRY ROBERTS, Committee.

Moved and second to accept the report. Discussed by Rev. Denver T. Brown, Rev. S. L. McHone, Bros. Wesley Lee, and V. E. Burelson.

The motion and second to adopt the report carried unanimously and Pine Grove Church and High Land were dropped from the Association.

—o—

REPORT ON HOME, STATE AND FOREIGN MISSIONS

The very last recorded words of our Divine Redeemer before the ascension commissioned his disciples to "be witness unto me both in

Jerusalem and in Samaria and unto the uttermost parts of the earth." By this commission Jesus Christ established what we call City, State, Home and Foreign Missions. These should always remain inseparably linked together. Are we, as Missionary Baptist people doing our share of the above request of our Saviour?

J. S. ALLMAN
J. J. GOFORTH
MISS EULA FOWLER, Committee.

Moved and second to adopt. Discussed by Rev. J. C. Pipes and also on Periodicals. Motion and second carried.

———o———

REPORT ON PERIODICALS

We devour some kinds of reading matter and starve ourselves for others. The question whether the pulpit or the printed page is more powerful has never been quite settled. The eye gate is more powerful than the ear gate, and for that reason the printed page is a most potent factor for good or evil.

The decline in spiritual life today is largely due to the fact that the home does not stress spiritual food from our printed pages. Periodicals are flooding the country and it is for us to decide what we want to eat from these pages. There are Baptist Denominational books and periodicals published by our Sunday School Board at Nashville, Tennessee, and we have the Biblical Recorder and Charity and Children, and others.

REV. S. L. McHONE
W. H. ROBERTS, Jr.
MRS. ROY MAY, Committee.

Motion and second to adopt the report carried, having been discussed by Rev. J. C. Pipes and at the time called discussed by Rev. M. A. Adams and Bro. William Worley.

———o———

REPORT ON EDUCATION

We, your committee on education, recommend that our people patronize our Baptist Schools more, where you will find satisfaction in being rather than in seeming; to find joy in doing rather than in dreaming; to be prepared for service, thereby earning the right to be served; to be pure in heart, vigorous in mind, discreet in action; to love deeply, fear nothing, hate never; to enjoy that freedom which comes from knowledge of the "Truth"; to be modestly conscious of the limitations of human knowledge and serenely confident of the limitless reaches of human endeavor.

C. A. GREEN
MISS LOIS SMITH
MISS JULIA MERRILL, Committee.

Moved and second to adopt the report. Discussed by J. M. Hays of Meredith College. Motion and second carried to adopt.

—o—

REPORT ON OLD AGE MINISTERIAL RELIEF

The Relief and Annuity Board of the Southern Baptist Association has completed its twenty-first year of service. The board should find a larger place in the hearts of the church members than has been accorded it in the past. This board surely has rendered a great service and it is capable of rendering a greater service. The benefits paid by this board during the twenty-one years are approximately three and a quarter million dollars. Our people should do more in cooperating with this board for the old ministers.

W. C. COWARD
REV. C. A. WORLEY
REV. DOYLE MILLER, Committee.

Moved and second to adopt the report. Discussed by Bro. J. M. Hayes.

Motion and second carried to adopt.

Adjourn till 9:00 A.M. Friday morning. Dismissed by Rev. Denver T. Brown.

—o—

FRIDAY MORNING SESSION

9:00 A.M. Song service by local choir. Devotion by Rev. Doyle Miller reading first 16 verses of the 16th chapter of S. Mark. Prayer by Rev. Venson Plemmons.

Welcome to visitors: Bro. William Worley, Mrs. Sankey Brigman of the French Broad Association, Rev. M. A. Adams, Rutherfordton, N. C., representing the Dry Forces of N. C.

REPORT ON STATE OF MINISTERS

We have in this Association 25 ordained ministers. Four of them were ordained in the last year. We have two licentiates. We have five ministers that are pastors, and seven pastors from other Associations. We had one minister excluded last year and two are dropped, inasmuch as they belonged to a church that was dropped from this Association.

We believe the pastors of this Association are rendering as great or the greatest service of their lives. They seem to desire to lead their people to higher and nobler lives, as the churches have been in a spiritual depression, the pastors are searching for the deepest of Bible doctrine.

We believe that any pastor serving more than two to four churches is doing his people and himself an injustice.

G. W. WILD
MOSBY J. BALL
EUGENE MOORE, Committee

Moved and second the adoption of the report. Discussed by J. Henry Roberts, Rev. Robert B. Vaughn, Bro. G. W. Wild and Bro. W. H. Roberts, Jr.

Motion carried to adopt the report.

—o—

REPORT ON SUNDAY SCHOOLS

Statistics show a considerable gain in enrollment of Sunday Schools in the state up to July, 1938. There are 2,491 Baptist churches in the state, with 2,453 Sunday Schools. We have 19 mission Sunday Schools, making a total of 2,472 Sunday Schools, with a total church membership of 489,272 and a total enrolled in Sunday School of 385,263.

Last year at French Broad Church this Association received report of 1,601 enrolled in Sunday School and average attendance of 1,099, as compared with the 1937 report of 1,604 enrolled and an average attendance of 973. A loss of 3 in enrollment and a gain of 126 in average attendance.

JOHN R. McELREATH
HARVEY BRUER, Committee

Moved and second to adopt the report. Discussed by Rev. M. A. Adams and J. Henry Roberts. Motion carried to adopt the report.

—o—

REPORT ON TEMPERANCE

Alcohol is a destroyer. Some one has well said that it is good for making live things dead and for keeping dead things dead. In either case it is associated with death. It is a destroyer of wealth. Any article which can yield a tax amounting to 2,000 per cent of the original cost of its production cannot fail to destroy wealth. It is a destroyer of character and manhood. No man could sincerely suppse that a nation might be made prosperous by making drunkards of its citizens. Age long history attests this fact.

VENSON PLEMMONS
ALER WORLEY
MISS FAIRE HAWKINS, Committee.

Moved and second to adopt the report. Discussed by Rev. M. A. Adams. After the discussion a collection of $10.00 was taken up for the Dry Forces of North Carolina.

Visitors recognized: Miss Agnes Brigham of the French Broad Association. Mr. and Mrs. Joe Payne of Greensboro.

REPORT ON ORPHANAGE

The needs of the Orphanage have never been greater. Approximately $580.00 per day of expenses. Some of the buildings need to be repaired.

Orphanage has one aim: to place within reach of every child, who is a Baptist responsibility, the opportunity to develop into a strong Christian man or woman. In the accomplishment of this aim every person in the state has an opportunity to enrich his spiritual life by supporting the orphanage, either directly or through his Sunday School or Church.

If we love life well enough to want to live, and live abundantly in the lives of children, the opportunity is within our reach. Through your orphanage organization you have the privilege of "going about doing good" in the name of Jesus by helping feed, clothe, shelter, educate and meet the spiritual needs of these children.

JAMES WILSON,
Associational Orphanage Representative.

Moved and second to adopt the report. Discussed yesterday by Bro. I. G. Greer and today by J. Henry Roberts. Motion carried to adopt.

—o—

Moved and second that the chair appoint a representative for the Bibliical Recorder in the Association. Motion carried and the chair apointed Rev. Doyle Miller and the Association unanimously approved.

HOSPITAL REPORT

The Baptist Hospital of North Carolina, located at Winston-Salem, which was incorporated in 1922, and received its first patient May 28, 1923. Up to June 30th, 1938, more than 42,000 were entered for treatment. During the year ending June 30th, 1938, there was about $78,000 in free service rendered with an additional cost of medical and surgical service of $117,800, or a total of $195,800.

They have a staff of 70 medical and surgical doctors, and a school of nursing with 61 students in training, which does not include the graduate and special duty nurses on duty, and yet, only able to care for about half that apply for treatment on account of lack of room.

Moved and second to adopt the report. Discussed by Rev. J. C. Pipes yesterday.

Motion carried to adopt the report.

REPORT ON COOPERATIVE PROGRAM

Southern Baptists have a program, "Cooperative Program", for supporting and promoting their agencies and institutions, through which they are striving to carry one the Program of Jesus, namely, preaching, teaching and healing, etc. These causes are listed as follows: State, Home, and Foreign Missions, Christian Education, Ministerial Relief, Hospitals and Orphanage. This method, or plan, makes it possible for each member of Missionary Baptist Church to have a share in the whole program of Jesus.

B. J. LEDFORD
H. P. MILLER

REPORT ON RESOLUTIONS

Since our stay at Lower Big Pine Baptist Church has been made pleasant by the kindness and gracious hospitality of this community, and its people generally, we would offer the following:

We express our thanks to the good women of this community for having provided so well for the care of the people of this Association and the good eats.

We would also attempt to express our lasting appreciation to the pastor of this church and its members and to the Baptist and other good people for their unfailing kindness and hospitality.

That we re-affirm our ancient title as "The New Found Missionary Baptist Association."

That we, "beginning with the 85th annual session, which meets next year," should there be any church reporting to this Association not to have done anything for Orphanage and Missionary work that a committee from this Association shall meet with such church to instruct them more perfectly in the aims of the Lord's program and our name "Missionary".

This closed one of the best Associations we have had for several years. Remember to make the next Association yet better there is work to do.

The rest sit around and pick blackberries."

REPORT ON MEMORIALS

Whereas God in his infinite wisdom has seen fit to take from us his faithful servants and our beloved workers, we, the New Found Baptist Association, offer the following resolutions:

First, we bow in humble submission to God's will.

Second, we express our deepest sympathy to the bereaved families.

Third, we hereby pay loving tribute to their memories and express our great sorrow for their passing, though we rejoice that they have been called to higher grounds.

Committee: Rev. E. F. Sprinkles, Howard Plemmons, A. J. Ball.

No discussion, the motion to adopt as read carried.

Report on Temperance called and read.

TEMPERANCE REPORT

Who hath woe? Who hath sorrow? Who hath contentions? Who hath babbling? Who hath wounds without cause? Who hath redness of eyes? They that tarry long at the wine; they that go to seek mixed wine. Look not thou upon the wine when it is red, when it giveth his colour in the cup, when it moveth itself aright. At the last it biteth like a serpent, and stingeth like an adder. (Proverbs 23: 29-32.)

Drunkenness places a man as much below the level of the beast, as reason elevates him above them.

Committee: Rev. Robert B. Vaughn, Rev. Kimsey R. Ball, Rev. F. M. McElreath.

Motion and second to adopt. This subject was well discussed by Rev. M. A. Adams, who represented the N. C. Dry Force. An offering of $3.70 for the Dry Force was taken.

REPORT ON STATE OF CHURCHES

"Who now rejoice in my suffering for you, and fill up that which is behind the afflictions of Christ in my flesh for this body's sake, which is the church." Col. 2:24.

We must not forget that while the birth of a child is primary, its care and culture are of next concern. We must not neglect newborn babies. We must not leave the people at the baptistry. They must be taught, trained, enlisted, and given something to do that is worth while.

We have 23 churches reporting to this Association; one (Cedar

Hill) did not report, with membership of 2,678, including 176 baptisms for the last year. The 1939 report was 2,642 members with 236 baptisms.

We would like to see visible growth in more attendance and regular attendance of the church members; members that are willing to be "doers of the word and not hearers only;" placing the emphasis on the growth of each individual, and trying to assist in that growth.

Committee: Rev. Doyle Miller, B. J. Ledford, Rev. Robert B. Vaughn.

Moved and seconded to adopt the report. Discussed by Rev. Robert B. Vaughn. Motion carried to adopt the report.

The hospital has had a campaign on to enlarge the hospital and to train nurses. Have we done our part toward "HEALING?"

Committee: N. H. Griffin, E. F. Sprinkles, Curtis Price.

Motion and second to adopt. Well discussed by Rev. J. A. McKaughlan. Motion carried to adopt as read.

REPORT ON MISSIONS; HOME, STATE AND FOREIGN

Our State Mission is being gradually enlarged, although the board receives a number of calls that they cannot meet, for help in the way of pastoral assistance and church building. We have 34 N. C. Missionaries in foreign fields and doing good work "Go ye therefore, and teach all nations" was Christ's departing words. Are we Missionary Baptists? Only five churches of the New Found did any Mission work and fifteen did Orphanage work and nine helped hospital and two for old age ministers.

"Give me now wisdom and knowledge, that I may go out and come in before this people: for who can judge this thy people, that is so great?" (2 Chron. 1:10.)

The Baptists of North Carolina have several colleges: Campbell, Chowan, Mars Hill, Meredith and Wake Forest colleges where the people are given a real education of Christian knowledge. We recommend that our Baptist people recognize these institutions more than they have been doing.

ORPHANAGE REPORT

The business of an Orphanage is to pick up and help children who are confused, and lost in the shuffle of life. Last year there were 519 applications for children from 203 families. At the present time the Kennedy Home is caring for 60 boys and 73 girls. At the Mills Home are 217 boys and 239 girls, a total of 589 children in the two homes and a number in boarding houses and mother's aid.

Last year the New Found Churches helped the Orphanage

$356.52 and this year, ending August 1, have helped $506.63. Last year 12 churches helped the Orphanage and this year 15 have helped and one individual person.

Report on Periodicals called and read.

REPORT ON PERIODICALS

The air is full of isms and they are on the rampage—materialism, socialism, communism, atheism, and many others. Many Christians, blown about by every wind, know not their right hand from their left. In an hour like this our people need a safe guide. Periodicals are flooding the country and it is for us to decide what we want to eat from these pages. We recommend to our churches and Sunday Schools to use our Baptist denominational books and periodicals published by our Sunday School board, and we have the Charity and Children and others. The North Carolina Baptists now own the Biblical Recorder, which is a guiding star to the Master's crib.

Committee: Roy Willett, Albert Cogdill, L. E. Ponder.

Moved and seconded to adopt the report. Discussed by David Morgan. Motion carried to adopt the report.

REPORT ON RELIEF OF OLD AGE MINISTERS CALLED AND READ

The Relief and Annuity Board continues to supply, in so far as it is able, relief to aged ministers and their widows of North Carolina, about 127, and in the South 1,411, in addition to about 694 annuity beneficiaries, of whom 87 are in North Carolina. Only two churches, to the amount of $7.11, helped in the New Found to this worthy cause last year.

Do we, the churches of the New Found, remember the Old Ministers and try to assist them in their last days with us, who are unable to serve us any more? We have three Old Ministers in the New Found: Revs. W. N. Martin, B. B. Plemmons, and W. M. Griffin.

1. We have enjoyed our stay with these good people and the good eats and hospitality of the good people and especially the good ladies around Caney Fork and the beautiful scenery where hills and mountains and hollows rise and fall from palest pink to flaming red and change as the changing daylight glints the fleeting rainbow's lovely tints.

The resolution in the 84th Annual Session of the New Found at Lower Big Pine, 1939, reads like this.

That we "beginning with the 85th annual session, which meets next year, should there be any church reporting to this Association not to have done anything for Orphanage and Missionary work that a committee from this Association shall meet with such church to instruct them more perfectly in the aims of the Lord's program and our name, 'Missionary.' "

Sorry to find eight out of the 23 churches reporting did not do anything for Orphanage nor Missions.

The Association appointed the Associational Missionary, Rev. Robert B. Vaughn, to see these churches and explain and instruct them along this line.

Short talks; the Moderator thanking the people for the honor bestowed upon him by electing him for the fourth time. J. Henry Roberts then thanked the folks for having elected him for the sixth time as Clerk and Treasurer and asking the co-operation of the church clerks in making good minutes. EXPLANATION

Because of a shortage of funds it was decided to omit the printing of the constitution and by-laws in this year's minutes. They were printed in 1939 and no changes have been made since that time. The additional cost of the four pages they would have taken seemed more than was justified by the need for including the matter left out, espccially since funds were not in hand for payment.
